

IBS Physics Colloquium @ Daejeon

Spin-orbit coupling and Topological geometric phases: detection by interference measurements

November 25, 2020 (Wednesday) at 4 p.m.

PCS video conference (further details: pcs@ibs.re.kr)
Institute for Basic Science (IBS)

Prof. Ora Entin-Wohlman
Tel Aviv University, Israel

ibS 기초과학연구원 Institute for Basic Science **PCS** Center for Theoretical
Physics of Complex Systems

Center for Axion and Precision Physics Research
Center for Exotic Nuclear Studies
Center for Theoretical Physics of Complex Systems
Center for Theoretical Physics of the Universe
Center for Underground Physics
